Commissioners' Court

The attached petition was submitted to me on 06-18-2013 for verification. There are 80 registered voters in Road District One. Under Section 1471.016 of the Government code a petition for election on issuance of bonds for a road district must be signed by 50 registered voters or a majority of the registered voters. A majority of registered voters in this case would be 41. I have verified that this petition has 46 valid signatures.

Thank you,
